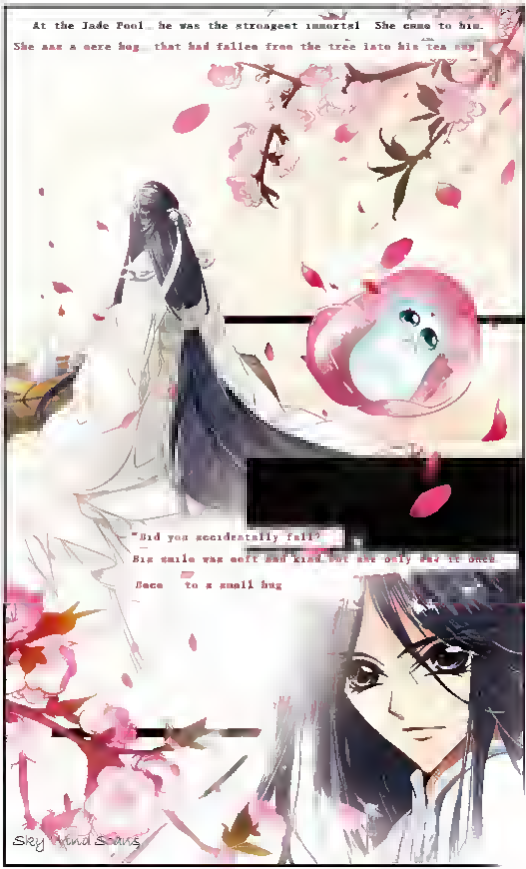
花千骨



At the Jade Pool, he was the strongest immortal. She came to him.
She saw a cere bug, that had fallen from the tree into his tea cup.
"Did you accidentally fall?"
His smile was soft and kind, but was a bit far away.
Once to a small bug

She worked for many years to be able to call him 'Teacher'
Teacher, why did you choose us as your apprentice?
He never answered her, but only looked down and patted her head.
Sky Wind Song

She watched the white cloth float gracefully
She stood there everyday and watched
Then she promised never let
I'll feel lonely again
Sea Scars

But the happy times came to an end. Everything eventually reached a limit.
"Wrong is wrong," he replied.
Eighty-one knives and a sword of memories...
